

MiFID II PRODUCT GOVERNANCE / PROFESSIONAL INVESTORS, ELIGIBLE COUNTERPARTIES AND RETAIL INVESTORS (SWITZERLAND ONLY) – Solely for the purposes of the manufacturer’s product approval process, the target market assessment in respect of the Notes, taking into account the five categories referred to in item 18 of the Guidelines published by ESMA on 5 February 2018, has led to the conclusion that: (i) the target market for the Notes is eligible counterparties, professional clients and retail clients (for retail clients, in Switzerland only – for the avoidance of doubt, no retail clients in the European Economic Area shall be targeted), each as defined in Directive 2014/65/EU (as amended, “**MiFID II**”); (ii) all channels for distribution of the Notes to eligible counterparties and professional clients are appropriate and (iii) the following channels for distribution of the Notes to retail clients in Switzerland are appropriate – investment advice, portfolio management, non-advised sales and pure execution services – subject to the distributor’s suitability and appropriateness obligations under MiFID II, as applicable. Any person subsequently offering, selling or recommending the Notes (a “**distributor**”) should take into consideration the manufacturer’s target market assessment; however, a distributor subject to MiFID II is responsible for undertaking its own target market assessment in respect of the Notes (by either adopting or refining the manufacturer’s target market assessment) and determining appropriate distribution channels, subject to the distributor’s suitability and appropriateness obligations under MiFID II, as applicable. The Notes will be offered to the public in Switzerland only.
